

Our Dealer Newhopo represented Interstuhl at the Guangzhou Design Fair from December 5th - 7th 2014 in Guangzhou, China. About 80.000 architects and designers from China, India, Holland, Italy, United States and Japan have visited the event.

Our products Silver, AirPad, KINETICis5 and EVERYis1 were displayed with information about the designer and awards. All products were highly appreciated by the visitors. The product AirPad was awarded with the Kapok Design Award and KINETICis5 received the Kapok Premium Design Award. Altogether, there were 1284 products applied for the Kapok Design Award. Out of 53 winning products 10 were granted with the Kapok Premium Design Award.
