

Launch party in The Netherlands: new collections presented in the new Inspiration Centre

On the 5th of June the new collections of interstuhl, bimos and prosedia were introduced in the Netherlands. The launch party of the dutch importer was held in the new Inspiration Centre, The Velto Sitting Room. The Sitting Room is a place for ergonomic advice, working, networking and being inspired. A number of dealers, architects, ergonomic experts and interior advisers came to the event. Wilbur van der Velde, CEO of Velto: "We are very pleased with the new collections which blend perfectly with the ambience of the Velto Sitting Room!"
