

See and experience the future of the office at Orgatec 2016.

Orgatec is in Cologne from 25th - 29th October, with the motto "New visions of work". Amongst the central themes will be the working environment, work processes and work culture. Interstuhl will be at Orgatec again and we will use the opportunity to show our very latest product innovations. Come along and be our guest.

Discover the latest trends in the office world and visit us in Hall 7.1, Stand B058 - C059.
