

## Danish collector presents 007-collection

In line to the premiere of Spectre, the recent 007-movie, there was organized a James Bond collector exhibition in the showroom of Interstuhl in Copenhagen. The Danish collector Knud Braagaard presented his collection which included items of the first film "Dr. No" from 1962 until Skyfall from 2012.

Also our two products KINETICis5 and MOVYis3 which are showed in Spectre, were admired in the Danish showroom.
